## Who We Are

We, Missionary Sisters Servant of the Holy Spirit, are a passionate group of women in love with God and ready to bring the Good News to the ends of the earth. We dedicate our lives, in the light of the Holy Spirit and in collaboration with dedicated laity and clergy, to proclaim the Gospel of God's love, justice & peace. In dialogue with peoples of diverse cultures and traditions, we minister and journey together with the poor and disenfranchised people around the world.

## How We Live Our Missionary Calling

Responding to God's special call to us as missionaries, we have been drawn together from many nations as a community of Sisters. It is quite an experience to live community in a little United Nations and as international teams to work for the needs of the people to whom we are sent.

As Missionary Sisters, we are always open to the possibility of a new mission. In responding to God's call we express a willingness to learn a new language and to give ourselves wholeheartedly to the service of mission.

## What We Do

Together with our Sisters from over 50 countries on five continents, we participate in the mission of Jesus through education, healthcare, parish and social services, fine arts, domestic arts, retreat work, spiritual direction, and many other ways in which we can be of service to others.

## Our Ministries in the US & Caribbean

- We engage with others in promoting Justice, Peace, & Integrity of Creation.
- We work with underprivileged women and children through our ministries in parishes, prisons, schools, and the Holy Spirit Life Learning Center.
- We enkindle the love of Mission through the Holy Spirit Missionary Association.
